

ARGUMENTS/REMARKS

Applicants would like to thank the examiner for the careful consideration given the present application.

Claim 32 has been amended to address an objection by the Examiner, and claims 44 and 49 were canceled in response to a rejection for indefiniteness. These amendments were done for the purpose of putting this case into a better condition for appeal, and thus it is requested that these amendments be entered for that purpose.

If there are any additional fees resulting from this communication, please charge same to our Deposit Account No. 16-0820, our Order No. SCAN1-41253.

Respectfully submitted,
